6 Policies Sites and Places Plan consultation-feedback from meeting held on 12th March 2014 and consultation to be completed by 7th April 2014

This was discussed in full; the following wording was agreed at this meeting

Section 1

IMPORTANT

We note that in your response to question 10 in the autumn 2013 Questionnaire ("... how many new homes do you think would be appropriate for your rural settlement ") you stated 10 per site. For clarity please confirm the total number of dwellings you consider would be appropriate for Hawkesbury Upton.

The commitments amount to 7 dwellings within the settlement boundary of Hawkesbury and 2 outside the boundary for local need.

Q1: Please would you confirm that you are satisfied with the remaining sections of our summary of your views on future development or do you have anything to add? please tick as applicable

A1 Yes No The Parish Council did not respond to this question

Additional comments

We have to take on board the communities view before any decision is made; consult with the community by conducting housing need survey to establish local need.

Section 2

Q2 Please would you confirm whether you agree or disagree with our conclusion for future housing in your area.

A2

Agree - the development needs of our community are likely to be met under current planning policy and the settlement boundary of Hawkesbury Upton should remain unaltered

The Parish Council all agreed with responding with "Agree"

Additional comments

Conduct a local needs housing survey and we will be pleased to work with South Gloucestershire Council to undertake this piece of work

Section 3

If your council has identified a need to look at options for limited new development in the summer please complete question 3

Q3 In the light of limited officer resources we would like your help with organising the public consultation event in your parish in summer 2014. Would your council be happy to help such an event? (please delete as applicable)

Yes No Please see section 2 additional comments

To be actioned

Email the wording to all Councillors prior to returning the response form to South Gloucestershire Council

- 12 Date of the next Parish Council meeting will be held on Monday 7th April 2014 in the upstairs meeting room at Hawkesbury Parish Hall at 7.30pm.
