## HAWKESBURY VOLUNTEER TRANSPORT GROUP — SEVEN YEARS ON...

### A Passengers Point of View.

Over the last 9 months instead of driving for HVT, I was a frequent passenger, reliant on the group of volunteers to get me to St Mary's and the Chesterfield Hospitals in Bristol to be admitted at the ungodly hour of 7 in the morning.

Without fail HVT provided the transport and driver to ensure that I, not only arrived on time, but also

that I was collected when discharged some days later.

Following on from the hospital trips, I also had to attend clinics for physiotherapy and check ups, and again HVT supplied the transport.

I cannot imagine how difficult it would have been had HVT not been available.

When the Team started HVT back in 2007, we had no idea that, one day, it would be one of us that would be using the service.

What a great service the HVT volunteers provide, thanks to all of you for making hospital attendance so simple, you are all doing a magnificent job.

### Chairman's Update

OK, now with my other hat on. Our Passenger List stands at 81 names, about 7% of the adult population of Hawkesbury Parish. This year we have had to inform the families of some passengers that, due to reduced mobility etc., we can no longer transport their relatives, unless they supply an escort to accompany the passenger.

A reminder to all, HVT Drivers drive! Drivers are not trained or covered by insurance to lift persons or equipment, or to administer any form of medical assistance so please do not ask them to do so.

The "HVT Needs You" campaign has proved very successful with five new volunteer drivers, and one new Co-ordinator. Three of the new drivers, namely Pat Hanham, Gordon Young and John Weaver are signed up and operating, and the Co-ordinator, Brian Noble has joined the rota, so don't be surprised when, contacting HVT by telephone, you hear a deep Northern accented male voice.

This year's **Annual General Meeting** will take place on **Wednesday 11<sup>th</sup> June at 14.00 hours** in the **Village Hall Meeting Room**. All are welcome to attend.

### Finally a few facts and figures.

On the 1<sup>st</sup> of August this year, HVT will have completed **7** years of operations.

During this period HVT have driven **41408** miles and completed **1666** journeys'.

In the past 12 months the figures are **5892** miles and **251** journeys'.

Overall, a very satisfying and successful year, well done all.

## Editorial

*Fiona Writes...*

Welcome to the new-look June issue of the *Hawkesbury Parish News*.

I have been meaning to make some updates to the look and feel of the magazine for some time, but have been so busy in recent months that it has been practically impossible to find the time to do so. However, a small nudge recently from a certain Mr Fozard prompted me to have another think...and look what happened! I hope you like it and there may be a few further changes next month. Feel free to give us your feedback, in any case.

Having been away a lot earlier this year for family reasons, it has been hard to get going with the usual veg production. I'm happy to say that all my frantically

late planting is suddenly catching up! The greenhouse is getting more and more crowded and we're already tucking into leaves and spring onions and are looking forward to the next few months of production — fingers crossed! Mother Nature had better get a move on really, as someone cheerily pointed out recently that the nights will soon be drawing in again!! Let's just hope we have lots of weeks of lovely summer sunshine to look forward to before that happens!

June is definitely a busy month with a mixture of sporting themes. Not only do we have the Football World Cup and the start of Wimbledon to look forward to, but we have the **HUSK Run** taking place in the village on **Saturday June**

**14th** and plenty of cricket fixtures to enjoy—weather permitting! Although, if I'm on the tea rota, it might be advisable to bring a broly...

For those looking for a more relaxing summer afternoon, the **Summer Garden Party** will be raising money for the Senior Citizens Fund on **Saturday 28th June**.

This really is another packed issue and all credit to those who take the time to organise and support the fantastic events organized in this small village.

Read on to find out the latest news...

Please note — the **deadline for the July issue is the 15th June**.

All early copy is greatly appreciated.

A huge thank you to all the very generous people who came and selflessly ate our cakes and partook of our soup to support the Cardiac Defibrillator Day on Saturday 26th April.

An even bigger thank you to friends who made the cakes, and to those who couldn't come but donated money anyway.

## Hawkesbury CEVC Primary School

June 2014

### Comenius (European partnership project)

The children are currently working on ways to recycle materials throughout the school and will be sharing this with our partner schools when we visit France in June. We will be taking 6 children from years 5 and 6 to Trebeurden in Brittany where they will experience what it is like to go to school in France and take part in cultural events.

On Friday 9th May will be holding a whole school Comenius day where we will focus on finding out more about our partner countries.

### Year 5 Maths Challenge

Well done to Louise, Ellie, Lucas

and George who took part in the Westonbirt School Maths challenge. An afternoon of timed maths problem solving against 18 other schools from the area (independent and state). Our children approached the afternoon with their usual enthusiasm and did really well. One of our teams came 6th overall and the other came 14th. Thank you to Mrs Bashford who accompanied the children.

### After School and Breakfast club refurbishment

A huge thank you and well done goes to all the parents who spent many hours during the Easter holidays redecorating and constructing furniture to modernize

and freshen ASC and Breakfast club. The room looks very welcoming and the children are really enjoying having better access to a greater range of toys.

### PTA news Easter Disco

Thank you to the PTA for organising and running the Easter disco. It was very well attended and great fun. We have very talented dancers both the children and the teachers!

### Summer Fair

The Summer Sizzler (fingers crossed) is organised for Saturday 12th July, 12-2. Please keep the date free. More details to follow in the coming months.

## Hawkesbury Youth Club News

Last month we were blessed with glorious spring weather for our meetings (7-8.15pm, every Tuesday in the Village Hall in term-time, except the first in the month). Many of our members enjoyed playing out in the Rec, where regular helper Tom Weston organises sports activities, while Anna Bleaken led cookery sessions indoors.

Joining longstanding Youth Club leader Sara Musty was Debbie Young, returning to Youth Club after a 12 year (!) absence, to give Kath Harkness a well-deserved break at last. Big thanks to Kath for all her support and hard work over many years. Kath will still be

coming along to help occasionally, when all the members will be very glad to see here.

In June we're looking forward to more of the same, plus an outing to the Oasis swimming complex in Swindon on the first Tuesday of the month.

But Youth Club isn't only about having fun. We're pleased to report that the Club raised £173.15 for Sports Relief recently by doing a virtual row across the English channel, using a rowing machine kindly loaned by David Williams for three weeks. Big thanks to David, and also a special mention for Sam Frankcom who

managed to row his way to an astonishing £63.15 for the fund.

Hawkesbury Youth Club is open to young people aged 11 and above. New members may join in the school term in which they turn 11. This term we welcomed Molly Starling and Laura Young for the first time. Any young people wishing to join should come along on any club night, bringing an annual membership fee of £5, plus £2 to attend each meeting, and up to £1 to buy sweets from the tuck shop.

*Any enquiries should go to Mark Frankcom, Youth Club Chairman, tel 238720.*

I have been active on ebay since 2001 and my 100% positive feedback is as a result of more than 700 deals

For a percentage I will deal with everything including taking photos of the item, setting up the auction on the ebay website, dealing with any queries from buyers, receiving the sale proceeds and posting off the item for you.

Some items might attract a better price at a local auction house, and dealing with this is another service I can offer.

You can set the starting price and if required, set a reserve price.

## Garden pests to be aware of

Aside from the guy next-door who always wants to borrow the lawn-mower, the following pests and diseases will become more prevalent over the next few weeks and need to be dealt with. Whilst the following list is not all-encompassing, it probably includes most of the problems we encounter in Hawkesbury.

### Potatoes

Blight is the worst disease which can affect a potato crop. Initial symptoms are the appearance of brown / black spots appearing on the leaves surrounded by a lighter halo. The plant stems turn soggy and sogginess will travel down the stems into the potatoes and quickly rot them. Mid-June is the time to begin to spray to prevent this fungal disease, and the most effective product available is Dithane 945. This is available on line and a dose every 10 days for 4 or 5 applications should do the trick. For those who garden organically, there is an alternative called Bordeaux mixture which is not as effective, but is approved by the Soil association. An added hazard for the potato crop is the small, black, keeled slug, which loves to burrow into a ripening crop. The difficulty in dealing with this pest is that it lives underground. It does, however, come to the surface on warm damp evenings, and can be dealt with by using slug pellets scattered between the rows when the potato haulms are beginning to meet.

### Carrots

Carrot fly is the major pest of the carrot. The grubs tunnel into the stem of the carrot making it inedible but it is possible to prevent, by following one of a variety of methods. The carrot fly does not actually fly and is capable only of hopping, to a maximum height of about 18 inches. It is, therefore, possible to screen off the carrots by erecting a barrier of plastic around the row about 20 inches high, or to grow the carrots in a tub of this height. Carrot fly can also be deterred by growing a row of garlic or onions next to the carrots. It is also possible to buy a garlic spray which has the same effect.

### Brassicas

During the initial planting of most brassicas (cabbage, cauliflower, sprouts etc) a collar should be placed around the stem of the plant to protect it from cabbage root fly. This pest is not always in evidence but the collars are good insurance. The main pest for these plants however is the cabbage white butterfly, whose caterpillars can very quickly decimate a crop. The caterpillars can be picked off and disposed of but this can be an unnecessary chore if butterfly-proof netting is used to cover the crop. The netting needs to completely cover the crop and be pegged down as the butterflies are very determined.

### Beetroot

The only protection needed for beetroot is netting at the seedling stage

to protect them from sparrows which love to pick the tops off the emerging plants

### Broad beans

The enemy of the broad bean is the black fly, which only attacks the top of the plant. The top of the plant can be picked off when the beans have flowered and disposed of which removes the problem.

### Greenhouse Crops

The most frequent pests among greenhouse crops are whitefly and red spider mite. If a pot of marigolds is placed on the floor inside the greenhouse near the door this will act as a deterrent to whitefly and save spraying. Plants affected by red spider mite will show a pale mottling on the leaves which might drop off early. This bug is tricky to control but there are chemical and biological solutions. This bug enjoys warm dry conditions so the occasional spray of plain water can help deter it.

Whilst not being a comprehensive list by any means these are a few of the problems which regularly arrive. Aphids (blackfly, greenfly etc.) can crop up anywhere amongst crops and are normally dealt with by spraying. If this is the chosen option, probably the best choice is contact insecticide which allows the picking of a crop the day after spraying, rather than those products which are systemic.

# HAWKESBURY GARDENING CLUB

[www.hawkesbury-gardening-club.org.uk](http://www.hawkesbury-gardening-club.org.uk)

TROWEL & ERROR

Meetings are held at 8pm on the 4th Monday of the month in the Methodist Hall in Back Street.

The European Commission demand for an "officially recognised description" for every plant has been abandoned due to pressure from all those who exist outside that unelected numptyhouse i.e. those blessed with more than two brain cells i.e. just about the rest of the world. Our speaker for April was Fiona Warin who enthralled us with a talk, or rather a performance, about the wartime Land Army. She welcomed us to the Hawkesbury Upton branch of the Women's Land Army making especial mention of the 'honourary women', namely the men present. All women between the ages of 17 and 42 were eligible to join as long as they were at least 5 feet tall because it was thought that women under 5 feet tall would not be strong enough to do farm work. Government officials have always been out of touch with real people then!

We were surprised to learn that we imported the majority of our food, especially grain, before 1939 which made it essential that we started to grow more here, hence the need for the Land Army. For many of the young women who joined the Land Army the work and conditions came as quite a culture shock – imagine an innocent 17 year old inner city girl who found herself having to acquaint herself with the dangly bits of a cow or the inner workings of a Fordson tractor. She was also introduced to showers, which she had never before experienced, only to find that she had to share the event with other girls – naked!

Fiona made us participants in her story which was not only amusing and entertaining but highly informative. But then, that is what Fiona Warin does. Do not miss her when next she visits here.

## HOW TO BE AN OLD FOGEY AND ENJOY IT

By Alan C. Porter

I remember well the moment I became an old fogey!

It was on a London bus. I had leapt on feeling all the joys of spring, virile, energetic and ready to face the world with a cheery smile and a flash of my bus pass and then it happened. A kind, well meaning person offered me their seat. It was then an old fogey was born. How I saw myself was not how others saw me.

For a second I was taken aback and then I had an epiphany! Not to be sneezed at on a bus because fogey gets a free flu jab to prevent such occurrences, sneezing that is not epiphanies.

Hold on, this fogey lark might not be so bad. A free bus pass that in theory I could use to

travel the length and breadth of England without spending a penny. (Perhaps I should rephrase that?)

Reduced entry to grand estates, gardens and cinemas. Free prescriptions for the odd aches and pains, free eye tests, winter fuel payments. Staying in bed on cold winter mornings and not having to get up for work. The list goes on.

Best of all We have the Evergreens for days out, interesting talks and entertainment. Thank you, Mandy.

Fine Old Gentlefolk, Endearing and Youthful! That's what fogey stands for.

By the way, I was glad of that seat on the bus.

The twinkle in the eye is back. Power to the fogey!

## THE HAWKESBURY SHOP

HIGH STREET, HAWKESBURY UPTON, TEL. 01454 238639

### **Desperate Measures needed!!- We need you & you need us!**

As you know Waitrose and M&S food have recently opened locally – these are both great shops and add value to the area but we already have Tesco/Lidl/Morrisons to compete with.

Unfortunately since their opening The Hawkesbury Shop is suffering, turnover has dropped by about 15%. It is very easy when you go and do your big shops and just as easy now to do small shops as it is so close but this is having a detrimental effect on our local store.

We are well aware of how families work and how they do their shopping and obviously we aren't now, and have never been, under any illusions that villagers would do full shops at the local shop. It can sustain itself easily, as long as villagers come in once a week to buy some things, eg their cheese, or their cream, or their wine! A shop cannot survive without its customers.

Since the beginning of the year we have temporarily had to cancel Hobbs for Wednesday and Friday, as the bread is just getting left at the end of the day.

We think now it has got to be slightly more drastic and we are going to close lunchtimes Monday to Friday 1-2pm and potentially maybe an afternoon.

Obviously we don't want to have to do this and we hope this is only temporary. We believe a shop should be open all day so villagers can shop at any time when they need to.

If you have any suggestions for us please let us know and please support us as much as you can! Offer of the week below!

Thanks

The Hawkesbury Shop team

### **SOUTH GLOUCESTERSHIRE CITIZENS ADVICE BUREAU ADMIN VOLUNTEER**

We are looking for a quick learner with excellent IT and keyboard skills (min 50 wpm) to support our debt advisers with the large amounts of administrative work that dealing with debt involves. This is a rewarding job with lots of interaction with both clients and your fellow volunteers and staff members at the CAB office in Yate, so you'll need good people skills and a commitment to team working. You'll also need an investigative turn of mind and the ability to pay attention to detail.

You will be working closely with the debt advisers and our Office Manager to piece together a complete picture of our client's situation, ensure that we have the correct details of all their debts, accurately enter them into our debt management programme and send out the appropriate letters to creditors at the right time.

If this sounds the kind of work that you'd like to get involved in, please contact Amanda Wood on 01454 313099 or email [amanda.wood@southgloscab.org.uk](mailto:amanda.wood@southgloscab.org.uk)

### **Appeal for Books**

I have recently moved into number 25 Highfields. I am currently collecting books from friends, family and work colleagues.

The books will be sold at two book fairs but we have to confirm dates once we have collected a good amount of books. The money will go to Sarcoma UK in memory of Rhianna 25 who lost her battle to this rare cancer in March this year. We want to raise £1000 pounds. If people could bring them to 25 Highfields in an evening or call or txt me on 07975591209.

Thank you.

Annual HU5K Run:

- to the hardworking HU5K committee
- our wonderful event sponsors, NWF Fuel, The James Dyson Foundation & the Parish Magazine Team
- Beaufort Minibuses for displaying our adverts on their vehicles
- Parish magazine for carrying our articles for the last six months
- Renishaw and Roman Camp garage for displaying our banners
- all of you have given out leaflets, displayed posters, and encouraged friends to join in
- to the Red Cross, local police service and Steve Webb MP for attending

and last but not least TO THE RUNNERS!

If you're planning to run and haven't yet signed up, please do so **BY FRIDAY 6TH JUNE** to give us enough time to allocate race numbers, to assemble your pre-race information pack and to order enough medals to go round. Late

## IT'S NEARLY RACE DAY!

entrants won't get a medal if there aren't enough spares to go round! **MARSHALLS NEEDED!**

To make the race run safely and smoothly, we need 20 marshalls - that's one every 250 metres, so that runners are never out of a marshall's sight. Marshalling is an easy job - you just have to stand in your designated spot in a dayglo plastic big, smile and applaud the runners as they pass (it really helps spur them on!) and page our Red Cross team on site a shout if anyone needs first aid. To volunteer as a marshall, please call Debbie Young on 238401/ email [debbiehawkesbury@googlemail.com](mailto:debbiehawkesbury@googlemail.com) / text 07594 717891 asap.

### ON YOUR MARKS, GET READY...

Runners should be in the school playground by 9.30am to collect their race numbers. All runners will receive a bottle of water at the half-way mark and as they cross the finish line, along with their finisher's medal (see note above!)

Hawkesbury's own Beauty and the Beasts, our successful Virgin London Marathon runners, will be there to officially start the race. Steve Webb MP will help them present the prizes - 1st, 2nd and 3rd for male and female runners in each of the three age groups (junior

school pupils, secondary school pupils and adults). Steve Hammond will be on hand to take race photos which will be available to order after the event.

There will be bacon baps, cakes, drinks and ice creams available for sale all morning, generously donated by NWF Fuels, to, er, fuel runners and spectators.

### WANTED: SPECTATORS!

Everyone in the village is warmly invited to attend even if not actually running. Cheering spectators lining the route really spurs on tired runners. This is the route: starts on the school playing field, circles the cricket ground, heads down the High Street to Farm Pool, dips down to join the Cotswold Way then emerges onto Sandpits Lane opposite Mrs Peacock's house, back up Sandpits, along the High Street and back onto the field. The race starts at 10, first finishers will return around 10.20am, and the last towards 11am. Prize giving will take place around 11.30am, or as soon as the figures have been collated.

*More information and registration forms are available from the Village Shop, the School Office and the HU5K website: [www.hu5k.org](http://www.hu5k.org). You can also follow us on Twitter at @HU5KRun or like us on Facebook*

Match Report from Ed Riddington on the game between Stinchcombe Stragglers and the Gentlemen of Hawkesbury on 04 May 2014

**CARR DRIVES GENTS ON THE ROAD TO VICTORY**

Meeting on The Plain in readiness for our first match of the summer, we discussed ways in which we could improve on our impressive 2013 season. As a result, and after much debate and deliberation, we agreed to bring Howard Bradley along to Stinchcombe. Last year we had taken his kit and driven off without him.

It wasn't just the Gents who were excited about our first game. There were a number of spectators at the ground, including: a dozen ramblers; two dog-walkers; a girl in a purple T-shirt, riding a bike; and an overweight youth sitting on a swing that squeaked in pain whenever he moved.

We won the toss and took to the field on a beautiful afternoon. Tim Chancellor and Joss Beeley opened the bowling, testing the opening batsmen with well-directed spin. It was a tough day for batting and Stinchcombe's progress was slow as Ed Riddington, Will Carr and Bill Cullen all found life and bounce in the wicket. Our bowlers were supported well in the field. Martyn Foster and Barry Wright patrolled the boundaries like restless tigers on the prowl. What's more, Dean

Simmonds - so elegant behind the stumps - occasionally surprised the batsmen by stopping the ball with his hands. The hero of the hour was Bernie Evans. His creative mixture of spin kept the opposition guessing throughout. Over the winter he had crafted a new type of delivery that turned to the leg on the first bounce, to the off on the second, before giving up bouncing altogether and rolling through to the keeper's boot. Evans took three wickets, Stinchcombe ending their innings on 138 for 8.

Would our heroes still be able to bat after a long winter's rest? Well, they do say that some things come back naturally, like riding a bike. But, as the girl in the purple T-shirt ably demonstrated, by flying over her handlebars and doing a face plant on the outfield, riding a bike can be a bit tricky. So it was that Hopson was caught without scoring, Bradley was bowled for 4 (making us question our decision back on The Plain) and Wright returned to the pavilion having added a single. Foster added 15, his highest score since 2012.

Simmonds was the only top order

batsman who looked in any form, regularly sweeping the ball to the leg side. He looked like winning the game single handed when - out of nowhere - Evans unexpectedly took his fourth wicket of the match, this time by raising the forefinger of his right arm. With Simmonds lbw for 29, the tension mounted: even the swing fell silent as Beeley became the second player to fall leg before wicket. Will Carr then played a lively innings, adding 51 for the seventh wicket with Chancellor. Carr lofted the ball to all parts of the ground. He was dropped on a couple of occasions, once by Bradley, who was carefully selected to bolster Stinchcombe's fielding when they called for a substitute. When Carr was bowled for 32, the Gents needed a further 18 runs for victory. Cullen and Evans generously sacrificed their wickets, leaving Riddington and Chancellor the honour of securing the Gents' first win of the summer with one wicket remaining.

## HUNG UP ON LAUNDRY

Sorting out a big basket of line-dried washing tonight (ah, it must be spring!), I fell to pondering why we have so many clothes. A bulging closet allows us to get lazy with the laundry. Getting to the bottom of the basket often results in a surprise reunion with an item that's been languishing for weeks, forgotten, awaiting its turn in the washing machine.

Not so for our Victorian ancestors. Instead of having wardrobes heaving with clothes, needing fancy IKEA gadgets to make the most of any storage space, they made do with a couple of hooks.

I discovered this to my cost when I bought my first house – a two-up, two-down nineteenth century artisan's cottage. I went to put away my newly unpacked clothes in what I'd taken to be a built-in wardrobe when I viewed the house, wearing my rosy-tinted housebuyer's spectacles. I found it was just a shallow cupboard with two wall-mounted cup hooks. The cupboard wasn't even deep enough to accommodate a coat hanger. It suddenly occurred to me that this would have been plenty for the house's original owner, who probably only had two outfits: workday clothes and Sunday best.

What a simple life that must have been – with so little time required to do the laundry.

For a moment, wearily folding the seventh pair of black leggings to fit in a drawer, I'm taken by such minimalism. But then I realise this justification ranks in the same league as my grandmother's delight in having all her teeth out: it meant she could eat sweets in bed without worrying about cavities.

Stashing the fourth cardigan of the evening onto my jumper shelf, I decide I'd rather stick with my present lot. After all, the Victorians didn't take many baths or showers either.

## Letter from the Vicar June 2014

What passing-bells for those who die like cattle?

Only the monstrous anger of the guns.

Only the stuttering rifles' rapid rattle

Can patter out their hasty orisons.

No mockeries now for them; no prayers nor bells,

Nor any voice of mourning save the choirs,-

The shrill demented choirs of wailing shells;

And bugles calling them from sad shires.

'Anthem for doomed youth' by Wilfred Owen

Dear all,

Early in June we celebrate Whitsun. As everything in nature begins to bloom, and it seems the warmth of summer is everywhere, so we celebrate the coming of the Holy Spirit. Our hearts blossoming along with the countryside.

Precious qualities like peace and kindness, hospitality and warmth, joy and love juggle for prominence within the person of Christ, who is himself within our hearts. Juxtaposed against all this, is the harshness and brutality of violence that we read of in the press in the world at large.

We read of the terrible consequences of civil war and the misuse of power, and many of us wonder what can be done. A hundred years ago the need to stand up against what was considered to be wrong was necessary, and the terrible dilemma of war or peace was right on our doorstep, when the countries of Europe went to war.

I hope many of you will come to the service of commemoration at the end of June in Badminton, to pay our respects to those who made the ultimate sacrifice, and to the millions of others affected by that appalling conflict. Or find your own way of doing so.

May the peace of the Holy Spirit be in your hearts,

With every blessing,

Richard Thomson, Vicar [r.thomson@live.co.uk](mailto:r.thomson@live.co.uk) (01454 219236) [www.badmintonchurch.org.uk/](http://www.badmintonchurch.org.uk/)

*“But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law.”*  
Galatians 5 : 22-23

The visit of Bishop Michael of Gloucester on Sunday 4 May was very, very successful. The congregation included representatives from all but two parishes in the Badminton benefice, and a number of children enjoyed the Bishop's explanation of his regalia. As Bishop Michael was celebrating the tenth anniversary of his installation in Gloucester, we presented him with a picture of the St Wulfstan window, which he blessed two or three years ago. Bishop Michael will be returning to Hawkesbury on Thursday 19 June for Evensong at 5.0 pm, on a farewell visit; he retires in September.

The St George's quiz night at Linda and Bill Fearney's Tithe Barn was very successful too, with thanks to them both for their hospitality, and to Barrie Hope and Tony Harris for their quiz questions – sensible and intelligent! We enjoyed a splendid meal, followed by the quiz, and a good time was had by all.

The marquee chapel arranged at the Badminton Horse Trials was very well received, a haven of peace amidst all the activity and bustle of the event. Two acts of worship took place each day. The international participants appreciated having the opportunity to be quiet in the stress of the all that was going on around them.

Looking ahead now, the children will be visiting St Mary's to celebrate Pentecost on Tuesday 10 June, and we are holding a Pet Service at Morgan's Farm on Sunday 15 June at 4.0 pm (note the unusual time). Bring your pets with you!

Guest Speaker: Pastor John Ikin.

Many of you will remember Margaret Court, a great tennis player who won a staggering 66 grand slam finals. One day she started to have heart palpitations so she went to her doctor and later found that she had a torn heart valve. She was told that she would be on tablets for the rest of her life. At only 35 she faced a life sentence of medication. She thought that the wife was a religious nut! She kept giving Margaret Christian books to read, but, through contemplating her illness and this woman, she met Jesus! Her personal life was transformed and strangely her heart problems improved and she no longer needed tablets. Amazing!!

In John's Gospel, chapter 6 v.37, Jesus says "Whoever comes to me, I will never cast out." There is an old hymn in "Sankey" hymns which says – Jesus is waiting, Oh come to him now, waiting today, waiting today! Come with thy sins, at His feet lowly bow; come and no longer delay. The Bible says NOW is the day of salvation.

**M. C. Coates, Chapel Secretary**

## District Councillor's Report

### Defibrillator

A great fundraising and information event was held, with nearly 100 people turning up and learning about the use of the defibrillator, which created lots of interest and certainly raised the awareness. Over £370 was raised. The cabinet supplier is to meet with Hall representatives regarding the fitting of the cabinet on the outside of the Village Hall. Thanks to Vicky Gillman and Angie Evers who organised the event.

### Broadband – No Superfast Connection.

We have received very bad news on the upgrade to superfast Broadband; It appears that Hawkesbury Upton is not to be included in the upgrade on the Didmarton exchange, which is disappointing news for many of us. This was promised under the Broadband UK roll out and Hawkesbury was one of the areas covered. I will be launching a petition and be lobbying to ensure this is looked at again, under the second roll out of funds for rural areas, We have a large number of home workers and small businesses in the area who would benefit.

### Waste Bins

After the change in green waste, there are to be changes to the collections rounds to make them more efficient. There will be changes to collection days/time and also what is to be put out. All households will receive a flyer informing them of the forthcoming changes. For anyone who has not received information on the changes, they can contact

## “BLOCKBUSTER MATISSE EXHIBITION” COMES TO WOTTON CINEMA

Following the successful cinema broadcasts by theatre companies including the Royal Shakespeare Company, the Tate Modern gallery is now bringing its sell-out new exhibition – **Henri Matisse: The Cut-Outs** – to cinemas. This exclusive private tour brings to life on the big screen the works of one of the most important artists of the last century & can be seen at the Electric Picture House, Wotton-under-Edge, live on **Tuesday 3 June at 7.15pm**.

At this one-off event, audiences are invited to enjoy a behind the scenes tour of this exhibition with Tate Director Nicholas Serota & broadcaster Francine Stock, featuring interviews with experts, friends of the artist & rare archive footage of Matisse at work.

This landmark show explores the final chapter in Matisse’s career as he began ‘carving into colour’ and his series of spectacular cut-outs was born.

This is the most comprehensive

exhibition ever devoted to the artist’s paper cut-outs made between 1937 and 1954 and the first major exhibition of the cut-outs in almost four decades. At Tate Modern until 7 September, it brings together around 120 works, many seen together for the first time, in a groundbreaking reassessment of Henri Matisse’s colourful and innovative final works.

Nicholas Serota said: "For many people, Henri Matisse: The Cut-Outs will be the most evocative, compelling and beautiful show that London has ever seen. I am delighted that those unable to visit the show at Tate Modern will have the opportunity to be moved by these great works in their local cinema."

Tickets cost £10 and can be booked in advance through the cinema's website, [www.wottoncinema.com](http://www.wottoncinema.com). Advance tickets can also be purchased at the cinema during opening hours, or by calling 01453 844601.

**SILENT CLASSIC SCREENS IN WOTTON**

One of the classic thrillers of the silent film era is presented at the Electric Picture House Cinema on **Sunday 8 June**, with an original live score by the four-piece band Minima.

Beneath the sewers of the Paris Opera House dwells a masked figure. He is the Phantom, a hideously disfigured composer whose dream is to turn chorus singer Christine into a diva. **The Phantom of the Opera** has rarely been so vividly presented as in this 1925 version.

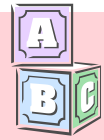

The film stars Lon Chaney and his ghastly make-up - which he created himself - and

outrageous performance made this one of the great classics of American silent film.

Minima's music is an audacious 21st-Century interpretation of the images of silent and avant-garde film. Formed in 2006, Minima perform in cinemas and art centres, as well as music and film festivals.

**The Phantom of the Opera** (PG) is showing on Sunday 8 June at 3pm. Tickets cost £10 (£9 concessions) and can be booked in advance through the cinema's website, [www.wottoncinema.com](http://www.wottoncinema.com). Advance tickets can also be purchased at the cinema during opening hours, or by calling 01453 844601.

## Hawkesbury & Horton WI

There was one Resolution to debate at our May meeting. This had been put forward by Standon & Cotes

Heath WI, Staffordshire Federation.

“The NFWI notes that three people die every day whilst waiting for an organ transplant. We call on every member of the WI to make their wishes regarding organ donation known, and to encourage their families and friends, and members of their local communities to do likewise.”

The President said the main thrust of this Resolution was to encourage people to be open about organ donation and talk about it within the family, sharing their request. So that no one is surprised when something happens. One person's donation can save the lives of up to 9 people. It is also the case that a person can be a donor but if the family objects then donation will not go ahead. Ill health or age need not be a barrier either, there is always someone who can benefit from donation. Donation can take place up to age of 85.

A vote was taken to support the Resolution. Our link delegate who will represent us at the NFWI AGM in Leeds on June 7<sup>th</sup> will be informed.

Speaker for the evening was Valerie Hurlston-Gardiner who illustrated her talk with slides of a range of well chosen garden paintings from mediaeval times to the last century. Surprisingly even in mediaeval times they had raised beds! And tunnelled arbours were popular in dangerous times as they offered more protection. However by the eighteenth century, walls were coming down and the landscape garden became popular with Capability Brown. It was interesting to see the huge variety of tools necessary to have some sort of lawn before the coming of the lawnmower, a local invention. Val also showed us how much we could learn about the lives of people by studying a painting's background. I'm sure we'll all be a lot more observant when we visit museums and art galleries in future. Thank you Val.

Flower of the month competition was won by Christine Gamlin with a tulip.

**Tarzan (2013) Cert PG Running time: 99 mins**

Tarzan and Jane Porter face a mercenary army dispatched by the evil CEO of Greystoke Energies, a man who took over the company from Tarzan's parents, after they died in a plane crash.

**Sunday, 1st June 14:00**

**We Are the Best! (2013) Cert 15 Running time: 102 mins**

Stockholm 1982. A film about Bobo, Klara and Hedvig. Three 13-year old girls who roam the streets. Who are brave and tough and strong and weak and confused and weird. Who have to take care of themselves way too early. Who heat fish fingers in the toaster when mom is at the pub. Who start a punk band without any instruments, even though everybody says that punk is dead. Screened in Swedish language with English Subtitles.

**Sunday, 1st June 19:30**

**The Phantom of the Opera (1925) with Minima Cert PG Running time: 93 mins**

The classic silent film with live accompaniment by the Minima group (<http://www.minimamusic.co.uk/>). Lon Chaney stars as Erik, the Phantom, in what is probably his most famous and certainly his most horrifying role. Produced by Universal, the film shot in 1923 and shelved for nearly two years, and was subjected to intensive studio tinkering. While many expected a disaster, the film turned out to be a rousing success. It was both the stepping off point for Chaney's run as a superstar at MGM and the prototype for the horror film cycle at Universal in the 1930s. The story concerns Erik, a much-feared fiend who haunts the Paris Opera House. Lurking around the damp, dank passages deep in the cellars of the theater, he secretly coaches understudy Christine Daae (Mary Philbin) to be an opera star.

**Sunday, 8th June 15:00**

**NT Live: A Small Family Business Running time: 180 mins**

A riotous exposure of entrepreneurial greed by Olivier Award-winning playwright Alan Ayckbourn (Bedroom Farce, A Chorus of Disapproval). A Small Family Business returns to the National Theatre for the first time since its celebrated premiere in 1987, when it won the Evening Standard Award for Best New Play. Jack McCracken: a man of principle in a corrupt world. But not for long. Moments after taking over his father-in-law's business he's approached by a private detective armed with some compromising information. Jack's integrity fades away as he discovers his extended family to be thieves and adulterers, looting the business from their suburban homes. Rampant self-interest takes over and comic hysteria builds to a macabre climax.

**Thursday, 12th June 19:00**

**ENO: Benvenuto Cellini (Live Broadcast) Running time: 180 mins**

Unseen in London for many years, and never previously at ENO, Berlioz's Benvenuto Cellini forged anew at the London Coliseum by director Terry Gilliam and ENO Music Director Edward Gardner – the identical pairing responsible for the company's award-winning The Damnation of Faust in 2011. That production unleashed Gilliam's inexhaustible imagination as a story-teller of the first order, and Benvenuto Cellini offers this theatrical showman an equally rich canvas simply begging for his special flair.

**Tuesday, 17th June 19:00**

**RSC: HENRY IV PART II (LIVE BROADCAST) Running time: 90 mins**

King Henry's health is failing as a second rebellion threatens to surface. Intent on securing his legacy, he is uncertain that Hal is a worthy heir, believing him more concerned with earthly pleasures than with the responsibility of rule. Meanwhile, Falstaff is sent to the countryside to recruit fresh troops. Among the unwitting locals, opportunities for embezzlement and profiteering prove impossible to resist as Falstaff gleefully indulges in the business of lining his own pockets. As the King's health continues to worsen, Hal must choose between duty and loyalty to an old friend in Shakespeare's heartbreaking conclusion to this pair of plays.
