Welcome to the September issue of Hawkesbury Parish News!

Well there goes another Show weekend and what a humdinger of a day it was! The sun shone, the crowds kept on coming, the entries were fantastic, the carnival floats and fancy dress entries were terrific and the valiant tractor pull teams provided much entertainment! The deer & hog roast queue never seemed to reduce in size, it was several deep at the bar and the raffle sold out of tickets (which has never happened before)! There seemed to be a real buzz around the showground all afternoon, with everyone clearly having a great time. I think the 128th Show is one that people will remember for years to come.

A huge thank you to everyone who helped put in the sheer hard graft to make it a very special show for 2013. Many turn up without prompting and work all day with a smile on their face, which may or may not be directly connected to the popularity of the beer tent! This issue includes a montage of photos from the day, the results from all the classes and a list of the lucky raffle prize winners.

We also have details of all the events that are coming up in the village, from the Harvest Home on the 14th September, the Guides' Jumble Sale on the 28th, to the Cricket Club Presentation Night also on the 28th.

I'm off for a lie down after this bumper issue, so make a cuppa, sit back and enjoy!

1st HAWKESBURY UPTON RAINBOWS

We thought we'd let you know what we'll be up to over the next few months....

Sadly Maddy(our very own Squirrel!) will be off to Uni, so we won't get to see her very often- we've loved having her at Rainbows and will truly miss her.

We'll be welcoming 2 new Rainbows, Imogen and Natasha, to our group and hope they have a great time with us.

We'll be continuing with our Rustle, Bustle and Squeak badge challenge, helping the RSPB and our wildlife-our wildlife area certainly needs a tidy and we'll hopefully be making our own bird table.

On September 8th some of us will be doing 'Along The Edge With Gromit' sponsored walk-4 miles-raising money for Bristol Children's Hospital and also our Rainbow Unit-please get in touch if you'd like to support us-we'll also be doing some challenges to earn a special Gromit badge.

We might have a table at the Guide's Jumble Sale on 28th September, as we had such good fun when we held our sale earlier in the year.

In October we'll be joining other Rainbows from our County at a special 'Under the Sea Messy Play' day, making new friends, singing songs and doing lots of crafts.

In November we are very lucky to be going on a special Santa steam train, just for Rainbows-as you can imagine, we're already very excited.

In December we will be taking part in the Wallace and Gromit Big Bake-decorating special Gromit biscuits, (we each pay £2 to take part, which will go to the Bristol Children's Hospital Appeal) and then they will be judged by Gladys Dix and her assistant...we'll have to decide if we're going to eat them or if we'll give them to a friend or family member..it'll be a tough choice!!

We'll also be looking forward to December as it'll be a chance to get together with Brownies and Guides at our end of term Christmas Party for fun and games, and where glitter and sparkle is order of the day!

As our very first sleepover was such a success we will also be planning another one, theme decided by the girls this time. It could be in the village hall or Badminton Cottages ... watch this space!

If you would like to put your daughters name down on the waiting list, please register on the website at www.girlguiding.org.uk

All the children are enjoying the new term – and finding all the new toys and activities we have planned. There are lots of new children starting at Pre-school this term so we will be spending time getting them settled in.

We hope everyone saw our 'Hawkesbury Superheroes' float at the Show. The children had an absolutely fantastic time and particularly enjoyed waving to everyone!

We will be having our AGM next month on Thursday 17th October, at 8pm in The Fox. Pre-school is a charity, traditionally run by the parents of children at pre-school and we depend on this involvement to keep going.

If you would like to join preschool, or for more information please contact one of our playleaders on 07989 484774. Alternatively email us at: enquiries@hawkesburypreschool.org.uk
www.hawkesburypreschool.org.uk

We are hoping to recruit an extra member of staff this term. The role of Assistant Playleader does not require any formal qualifications, so if you have a passion for young children and their development please get in touch. For more information and an application form please contact our Vice Chairperson Celia Rowlands on 01454 828268 or cwathen@btinternet.com.

I will be doing a tandem skydive on what would have been my husband Patrick's 49th birthday at the end of September.

This is a tribute to the great man and also to raise funds for 'It's in the Bag'.

If you would like to sponsor me please go to my Just Giving page:

Thank you,
Jo Monk.

Coffee Morning for Macmillan Cancer Support

I am holding a coffee morning in aid of Macmillan Cancer Support as part of their 'worlds biggest coffee morning' on **September 27th** from **10am**.

It would be lovely to see some old friends from Hawkesbury again, so get together and car share and make a morning of it to help this worthy cause.

It is at Hay Lane House, Hay Lane, Horsely - go up the A46 towards Nailsworth and turn left beside The Tippotts Inn.

Look forward to seeing you!

Deb Pidsley

Would you like cash for something round the home that you no longer want/need/like?

Well, why not sell it on ebay

No ebay account? That's no problem.

I have been active on ebay since 2001 and my 100% positive feedback is as a result of more than 700 deals

For a percentage I will deal with everything including taking photos of the item, setting up the auction on the ebay website, dealing with any queries from buyers, receiving the sale proceeds and posting off the item for you.

Some items might attract a better price at a local auction house, and dealing with this is another service I can offer.

You can set the starting price and if required, set a reserve price.

Any questions, call me on 238778, email me at mickbendeaux@hotmail.com or come and see me at 20 Birgace Road.

Based at Upper Chalkley Farm, Horton

Girlguiding UK
girls in the lead

1st Hawkesbury Upton Guides

We thought we'd let you know a bit about what we'll be up to over the coming months...

We have 2 new volunteers at Guides, Joan Yuill and Kath Harkness, as well as occasional help from Fiona Steeds, and the good news is that Jane will stay with us until Christmas, so we have a fantastic team!

We'll also be welcoming Laura, Molly and Carys to Guides and hope they enjoy their time with us.

We'll be helping out at **Badminton Open Gardens** on the **7th September**, serving teas and running a cake stall, helping to raise money for refurbishments to Briarlands, our County Campsite, near Bitton.

On the **8th September** some of the girls will be doing a **sponsored walk-Along The Edge With Gromit**, organised by The Rotary Club of Chipping Sodbury-half the money will go to the Bristol Children's Hospital and we get to keep the other half for Guides, if you'd like to sponsor us it would be appreciated. We'll also be doing a Gromit Badge Challenge linked to the children's hospital appeal.

On the 12th some of the girls will be sleeping at @ Bristol and taking part in experiments, to earn their science badge and then in the morning a few of them will be doing some rowing in the Bristol Docks and exploring Redcliffe caves as part of Open Doors.

We will be having a visit from the Sort It team as part of our GFI (Go For It) challenge later in the month which will be interesting and we'll find out just how good we are at recycling!

We're kick starting our fundraising with a **Jumble Sale** on **Saturday 28th September** 10am-12 noon at the Methodist Hall, Back Street-if anyone has any good quality items or suitable raffle prizes they'd like us to have, please let us know.

In the new year we will be putting on a fashion show and 'swishing' event, so watch this space. Our fundraising will be towards our trip next year, to Brownsea Island off the coast of Poole, for a week in August.

This is the biggest trip we've gone on so far, but I think it will be fantastic-the island is looked after by the National Trust and Baden-Powell's first ever camp was held here, a truly magical place.

It's still in the early stages of planning, as you can imagine, but we've booked the Victorian Lodge House to stay in and will travel by train and ferry.

In October some of the Guides will spend the weekend at Badminton Cottages, exploring the surrounding area, doing crafts and generally having fun.

In November we will be holding a **WWII Exhibition** in the village hall after the **Remembrance Service**. If anyone has any memories, stories, items they'd like us to include, please get in touch- we'd love to hear from you.

As part of this the girl's will be researching their own family history and we will be having a visit from a couple that specialise in WWII fashion and the home front.

In December the girls will pay £2 to take part in the Wallace and Gromit Big Bake, raising money once again for Bristol Children's Hospital, decorating a cake that will later be judged by Gladys Dix and her assistant-a great success last year when we trialled it.

So as you can see, lots to do and lots to look forward to, but we're always on the lookout for more!

HAWKESBURY GARDENING CLUB

www.hawkesbury-gardening-club.org.uk

Meetings are held at 8pm on the 4th Monday of the month in the Methodist Hall in Back Street.

Since the club's beginning in 2008 we've had a lot of good speakers. We've only had one speaker who was a bit under par. We think he was confused as to whether he was addressing a gardening club or a steam rally. Nonetheless it was a bit of fun.

Some of our speakers have been a real hoot. There was Richard Cripps who asked questions like – what do you want to do in your garden, do you like lots of space or do you prefer small enclosures, is your garden REALLY big enough for that sequoia, what will be your legacy if you actually do plant a monkey puzzle tree in your 20ft x 15ft front garden. He also promised to send around the 'heavies' armed with clubs and sledge hammers to dispatch outlandish garden ornaments.

Then there was Keith Bishop from Kemp Plants who had never given a talk before but had us in stitches whilst constructing a hanging basket. And many, many more.

We've had Gardeners Question Time. We've had Brian Noble passing on his growing (and cooking) secrets. We have a gardening news section at each meeting – mostly concerning what the EU has banned this month. We have a Tips & Wrinkles section where members can give voice to their concerns or their triumphs.

One speaker expressed surprise that we actually talk about gardening since that has not been his experience at other clubs.

Our next meeting is on Monday 23rd September when our speaker **Keith Ferguson's** topic will be **Flamboyant to Demure**. Come along and join the fun.

Terry Truebody (01454 238364).

WHO'S WHO

By Alan C. Porter

First we had a Spring so soggy that we were in danger of growing webbed feet. Then came the Summer when the rain we had been cursing we were now praying would come back as the temperature soared, lawns turned brown and a third of my potted plants went to the "Great Garden in the Sky." But that was all brushed aside at the momentous news that a new Dr Who had been selected to take over from Matt Smith.

As a confirmed "Whovian" and proud to admit it, I was there at the beginning, fifty years ago when William Hartnell as the Doctor and fictional granddaughter, Susan, played by Carole Ann Ford, kicked off the longest running sci-fi series in the world with an episode called, An Unearthly Child in 1963.

My favourite Doctor is the late, great Jon Pertwee, but all the actors who have played the part during the last fifty years have bought their own unique style to the role.

My favourite monster was the hairy, scary, claw footed fur ball called the Yeti that plagued the second Doctor, Patrick Troughton along with Lethbridge-Stewart and UNIT in the London underground.

Ah, happy memories. Perhaps the new Doctor, Peter Capaldi will re-discover the Yeti and a rollicking good time can be had by all, especially me. As Star Trek veteran, Patrick Stewart in the guise of Captain Jean-Luc Picard was often heard to say from the control seat of the Enterprise, "Make it so!"

May the old police box continue its travels for many years to come.

Cheese and Wine Tasting Quiz – back by popular demand.

**Saturday 5 October
7.30 pm village hall.**

**It's a cross between a pub quiz
and a cheese and wine party –
but you don't need to know
anything about cheese or wine!**

This is what some of the people who came last year had to say-

***"Best night out in the village I have ever had -
and there have been some good ones!"***

***"I haven't laughed so much in ages -
what a great fun and really different night out"***

"A brilliant night with a bit of cheese and wine thrown in!"

**This is a fundraiser for After School Club and so we are inviting donations.
Give as little or as much as you like - we are suggesting a donation of
around £10 - £12.50 per player and teams of about 4 but we can only
accommodate 60 guests so it's first come first served.
Full bar available for beer drinkers too.**

**Please use our on-line donation page

The Story of Sudeley Castle

by
Angela Panrucker

This crenellated fortified manor house in an attractive Cotswolds setting, now enriched by superb formal gardens, was rescued from decay in 1837 by William and John, two brothers of the famous glove-manufacturing Dent family of Worcester. First built by Ralph Boteler in the early-mid 15th century, Sudeley Castle came to fame in the Tudor period (when it was said to have been visited by, or the home of, no fewer than five Tudor queens), was damaged by order of Parliament in 1648/9, and from being ruinous for 200 years was restored by the Dent and Dent-Brocklehurst families.

Angela Panrucker (whose previous talk to the society, on Inn Signs, was so enjoyable) will divulge much more of the Castle's dramatic history on:

Hawkesbury & Horton W I

At our meeting in July it was with sadness that we heard of the death of former member Jean Arnold. She and John lived at Hunters Mead before moving to Horton to live near her daughter and family. Jean was a wonderful cake maker and also enjoyed a game of Scrabble with friends from the WI. She will be greatly missed.

There were congratulations to our Curling Team on winning the area competition. Carol Blaken, Gill Truebody, Yvonne Bird and Lin Robinson will be presented with their trophy at the AFWI AGM at Weston-Super-Mare in September, when our delegate will be Pat Sherry.

During the evening Brian Robinson gave an inspirational talk on a sea voyage to remember. He and a friend from the village sailed on the tall ship Stavros S. Niarchos around the Canary Islands.

Stavros S. Niarchos is a sailing ship belonging to The Tall Ships Youth Trust, a charity founded in 1956, and dedicated to the personal development of young people aged between sixteen and twenty-five. With a small trained crew at the helm it can take aboard up to forty youngsters at a time and integrate them into the responsibilities of running a ship. Such a holiday spent in this motivated way has been known to change lives for the better and during the evening we heard of such stories.

With the aid of his fantastic photographs, Brian transported us to sunlight seas, as he climbed the rigging to manoeuvre sails or sheets as they are called - not for the faint hearted! Crewing, the two mast brig with its ten square-rigged sails, though hard work, had wonderful highlights. And being on duty watch was one of them! From high on the rigging he saw dolphins at play and spouting whales.

The Nautical Knot Competition was won by Betty Salthouse with a Bowline.

Flower of the month was won by Lynn Edwards with a *Phygelius aequalis* "Yellow Trumpet": a Cape Figwort from South Africa.

That Wonderful Day

That wonderful day I shall never forget,
That day long ago when we two met.
Time stood still for a moment or two
When you saw me, and I saw you
Love at first sight.
It happened thus as it did that day
And it happened to us, strangers.
Your name, I never heard
We gave no sign, and spoke no word,

It was nothing less than a miracle,
Impossible, incredible!
To be in a strange and crowded place
Becoming aware of a single face,
Who can explain it? Nobody.
But it happened to you and it happened to me,
In that moment when we two met,
On the wonderful day I shall never forget.

For the record.....a record Show ! !

Phew !! What a scorcher !! 2013 turned the tables on 2012 by providing us with a rain free, sun drenched Show day which will be remembered by many for years to come. Records were broken left, right and centre, and not just the cider consumption on the Deer roast ! Gate takings have never been higher, the raffle sold out of tickets for the first time ever (!), the Deer and Pig roast took more money than ever before, and some idiot even paid £29 for a cabbage in the tent produce auction which raised over £500 for the first year ever! The tea-ladies produced another epic performance also raising more than £500 and the bar....well, the bar was apparently open! New stalls and attractions were evidence of the Shows enduring appeal and peoples' desire to support such a worthy event.

Hawkesbury is rightly proud of its Show and so many people, mostly unnamed and unsung, willingly give their time and effort to ensure that it happens in the first place and passes off as smoothly as possible on the day. A big Thank You to all of you !!

It would be almost impossible to name and thank all those people who help out, suffice it to say that it could never happen without each and every one of you. But we also rely on not just generosity of spirit and effort, but the exceptional generosity of people who donate things every year to keep our running costs down to (almost) manageable levels and to maximise our income, which goes to providing a new Show next year. Raffle prizes are mainly donated; this year we received donations from HRH Prince Charles, John & Sal Bleaks donated the wine, many local people and businesses and local supermarkets. Drew and Karen donate a pig each year to the Deer & Hog roast, the Buffs also donated towards a second pig (just to make the spit harder to turn!) and Ashley from Rogers' fair made up the balance to provide us with two pigs to roast alongside the Deer which is donated each year by the Duke of Beaufort. The Duke also sent us a cash donation this year as he and the Duchess were unable to attend, for the first time in very many years, due to a charity fund-raiser at Badminton.

Thank you and here's to 2014!

Dick Blundell, Hon Treasurer.

Congratulations!

A massive well done to the
Hawkesbury Cricket Club
1st X1

who not only won on Show Day, but achieved promotion from Division Four in the Gloucestershire County Cricket League as a result!
Onwards & upwards!

~~Hawkesbury~~ The 24th Annual Gromit Open Golf Tournament

The **24th Annual Hawkesbury Open Golf** tournament was renamed this year as the "**Gromit Open**" with the aim of raising funds for the "Grand Appeal for the Bristol Children's Hospital", which is what Mark and Fiona Steeds are fundraising for with Gromit in the garden of the Beaufort Arms.

For the 24th consecutive year, the fairways echoed with the sounds of golf balls misbehaving and their owners expressing their sporting joy with cries of "fore", "sorry" and "ouch" ringing across the course. A Rocket fired shotgun start by Lady Hyacinth and her escort Lord Bertie Brightness at 10.00am set the intrepid 66 competitors on their 6 hour journey in search of sporting immortality and the chance to claim the coveted winners jacket for a year.

Tales of heroics and dreams of success were soon intermingled with the woes and perils of golfing fortunes as putts slipped by holes and balls disappeared into ravenous hedges and greedy ponds and lakes with increasing regularity, soon reducing the 66 starters to 5 contenders and 61 also-rans. The sun shone on the righteous and also surprisingly on most of the rest of us as we toiled in the blazing heat to at least trouble the scorer but for most of us it proved an unequal struggle as the Hedge

Monsters revealed their teeth and the Crocodiles smiled their toothy grins as balls slipped beneath the surface of the lake into a dark, watery grave. The talking parrot at the 8th tee provided much unexpected amusement, as did the appearance of Postman Pat and his van on the 4th green, but for the most part, the jokes were on us. 5 contenders were soon whittled down to 3 as the sun bore down relentlessly, Barry Yuill being the first to succumb to the heat and opening a bottle of Hooky's Old Codger on the second tee, the first of many it should be noted ! Indeed it appears that some people had more bottles in their bags than Stapleford points in their lockers as refreshment and rehydration became the order of the day. Dave Lee created a piece of Hawkesbury Open history by having to be substituted after 12 holes, Harry Round coming off the bench (actually, coming out of the bar !) for his seasonal debut. The substitution made no difference to the inevitable however as messrs **Yuill, Nichols and Lee (Round 65')** proudly retained their wooden spoon team prize.

The notional benefits of different elixirs could not have been more graphically illustrated by the contrasting fortunes of Andy Flye and Dick Blundell, both of whom sought solace and inspiration in a pint of Stella Artois after 8 holes. Sufficiently inspired and refreshed, Andy went on to post a Championship winning score in the afternoon while vultures were spotted

following Dick down the 1st fairway just before 4pm. Chris Gardener, defending champion from last year, put in a noteworthy performance, posting 39 points with a handicap reduced to 13 (from 18) but **Andy Flye** also posted 39 points and was declared the **Champion for 2013** on the ubiquitous countback.

Top team prize was scooped by Shaun Chappell, Adam Harber and Jay Westwood and the Ladies Champion for 2013 was Brenda Allway. Congratulations to all our winners ! Any prize won this year was certainly deserved and hard won.

Gnome and Ross hosted the prize giving and presentations on the Gromit stand in their usual inimitable style and a cracking day out was rounded off by a cracking evening with a live band in the (packed) Beaufort garden. Thanks again to Vernon, Shaun, Ross and Dick and all the team who work so hard to put this unique event on every year. Thanks also to Dave and Vera, Audrey, Daphne, Marlene and Fiona who organised the Bar-b-q and the raffle back at the Beaufort, to all those who sponsored

holes & donated raffle prizes and thanks also to Mark and Fiona Steeds for donating the food served at the bar-b-q. The totals for money raised are not yet complete but Sarah and Lily Chappell raised £61 with the sweepstake, the raffle raised £210 and the bar-b-q raised over £300, all of which is a fantastic effort for such a small village and a bunch of inebriate golfers !

Next year will be our **25th Anniversary** so keep the date free in your diary, Gnome & co are promising a very special event. One last note, Doris Chappell who, for 23 years has lovingly "engraved" our Winner's jacket with the name of each year's champion, was unable to attend this year as she is quite poorly and in hospital recovering from an operation. Our thoughts are with you Doris, you were missed last night.

Hawkesbury Cricket Club - The Gentlemen of Hawkesbury - Match Report from our Cricketing Correspondent Ed Riddington

ALL'S WELL FOR ETWALL AS GENTS FALL AT FINAL HURDLE

Talk in the pavilion at the start of this evening match centered around Stuart Broad's controversial decision not to walk in the first Test of the Ashes series. His very obvious edge had been even more obviously caught in the slips. Australia were unable to use the Decision Review System (DRS), so the batsman remained not out. Broad's approach to the game was clearly not that of the Gentlemen of Hawkesbury (well, most of them at least).

From a long list of possible candidates, the board of selectors brought in Rory Thomas and Will Ireland for a 20 over match against Etwall, a touring team from south west Derbyshire.

Fielding first, the Gents gave the opposition plenty to think about, opening with the fearsome pace of Ollie Setterfield, whose slinging action was reminiscent of former Aussie paceman, Jeff Thomson (at least to spectators aged over 40). As a late replacement to Dennis Lillee, Bill Cullen shared the new ball, testing the batsmen with his left-arm orthodox spin. Father was replaced by son, when Ben Cullen injected some pace from the pavilion end. Sadly, his spell was shortened dramatically as, ball by ball, more and more of his foot began to force its way through a growing hole at the front of his left boot.

Joss White, returning after his latest injury setback, also bowled spin. Although his slower deliveries lacked the accuracy of his swifter ones, he managed to claim a brace of wickets, including one stumped by the ever alert Dean Simmonds. Ed Riddington took the fifth wicket to fall and the visiting side ended their innings on 112.

To some, scoring at nearly a run a ball may have sounded impossible, but Sean Hopson soon settled the home team's nerves with an assertive swish that brought a boundary off the first ball of our reply. Little did the Gents know that they would have to wait a further six overs for the ball to pass between the plastic flags dotted around the edge of the field. George Setterfield's innings was short, as he was bowled for one in the second over. Hopson followed in the seventh over for 9 and Martyn Foster was back in the pavilion an over later after a hard fought 4. It was Ben Cullen who ignited a recovery against teasing spin bowling, striking five fours on his way to an energetic 34. Thomas, who had impressed with the ball earlier in the evening, was cruelly run out without scoring, as a straight drive from Cullen was deflected onto the stumps from the bowler's boot. Despite the continued fall of wickets, somehow the Gents entered the final over needing 8 runs for victory with just one wicket left. When Bill Cullen elegantly swept the second ball of the over for four, it looked like the match was won. However, when he was struck on his abdominal protector the following ball, he was given out leg before wicket by club captain, George Setterfield. As the Gents had used up all their reviews, they could not be saved by the DRS, so accepted defeat by the small margin of 3 runs.

Our honour was restored in the Beaufort Arms later, when a resurgent team won the second Test match in the skittles alley.

SALT AND SALT RUB SALT IN THE WOUNDS OF STAPLE HILL

This year's pilgrimage to Page Park was more enjoyable than ever before. This was partly due to the match, but more to do with the fact that our afternoon did not start with a frantic race through the labyrinthine streets of Bristol looking for the ground. Our nerves were tested not by the navigational flaws of Dean Simmonds, but by the batting skills of Australia's last batsmen in the Trent Bridge Test. The team huddled anxiously around a radio until the last wicket finally fell and England triumphed. Could the Gents now pull off their own famous victory against habitual winners Staple Hill?

The team fielded its usual blend of both young and decrepit. On this occasion, the senior players were the more fresh faced. A bleary-eyed Ben Cullen shook off a heavy night on the town, extracting plenty of bounce from the surprisingly green track. Joe Salt, with spin from the ice cream van end, bowled a miserly seven over spell. He took the first wicket of the day when he tempted the opener to play a rash shot directly to his brother, Tom. Together, the opening bowlers restricted the hosts to just 32 runs off the first 14 overs. Bill Cullen's spin tempted the number three to loft a drive into the safe hands of senior

pro Barry Wright. Gavin Huxford kept the batsmen guessing as he varied his length, line and loop in another economical spell. After a second round of drinks on a baking hot afternoon, Ed Riddington bowled two batsmen before surprising everyone, including himself, by holding a catch on the long off boundary. This was the first of three wickets to fall off the bowling of George Setterfield, who was asked to play on the condition that he did not put on a white coat throughout the match. Sim-

monds left the pitch relieved that he had not caused any further damage to his hands. He had kept wicket whilst nursing an injury and, despite plenty of variable bounce, only let through a few byes.

At tea, the Gents gnawed their way through slices of melon whilst contemplating the challenge of scoring 152 in 35 overs. Sean Hopson had an additional task: he had to knock off the runs then race back to Westonbirt Arboretum to witness Jo, his wife, take off in a hot air balloon. After three balls of our innings, Hopson chose to focus on just the one task and left the crease in order to look for the shower gel in his kit bag. Martyn Foster struck two splendid straight drives before swatting the ball directly onto the pavilion roof. The ball hit a further two rooftops before landing on the bonnet of a Peugeot. Two balls later, he was sharing Hopson's shampoo.

With the score on 28 for 2, Gavin Huxford joined Tom Salt in the middle. Salt patiently built his innings, having taken a bad blow to his foot early on. Executing the late cut particularly well, Salt began to pepper the boundary, his innings being the pick of the seasoning so far. A sage innings from Huxford in mint form added yet more flavour to the proceedings, his runs cum in good thyme.

Both batsmen reached their fifties, putting on 127 for the third wicket, which not only must be a record for the Gents, but also brought about another victory, our fourth of the summer.

Viv Carter 1925 - 2012

Viv Carter was born in Sopworth, Wiltshire on 30 Sep 1925. He went to school in Sherston and Malmesbury. His father had been in an airship squadron in WWI and his Uncle Fred had been in the RFC in Iraq. No doubt this kindled his lifelong fascination with aviation. He left school in 1941 and started work as a civilian at RAF Hullavington. Viv worked on the electronic systems on the aircraft - what we would call avionics today. He was always ready to go flying and would volunteer for anything whether it was a flight test or a ferry flight. Large numbers of aircraft at a single airfield were vulnerable to German bombing and so aircraft would be moved to dispersal airfields. Viv helped with these dispersal flights including helping the pilot fly a 4 engined Stirling bomber to hide under the trees at Westonbirt Arboretum. On another flight in a 2 seater Mosquito Viv was testing some navigational systems. They were in cloud and the pilot asked "where are we". Viv replied "somewhere near Cheddar Gorge". So the pilot descended out of the cloud to take a look and they found themselves actually in Cheddar Gorge.

His other early passions were sport and motorcycles. He had a few lucky escapes while motorcycling. So much so that he told his children - in no uncertain terms - that they wouldn't be having a motorbike! During the war headlights were covered such that only a tiny, and useless, amount of light escaped. A favourite story he used to tell was whilst riding at night with such a headlight, he rode along a country road past a military camp and to his great surprise hit something in the road. Guards from the camp ran over to investigate and found Viv in the road with bits of cow skin on the headlight of the bike. Viv was not seriously hurt and they never found the cow.

Viv remained at Hullavington throughout the war and joined the RAF for his national service from 1946 to 1948. He would probably have stayed in the RAF had it not been for his father's serious illness. After national service he worked for the Air Ministry at various locations from 1948 to 1964.

He was born into a musical family and music was an important part of his life. His mother was a church organist for 72 years and his sister Monica was a piano teacher and church organist. As a boy he used to pump the bellows of the church organ for his mother to play and was known to fall asleep leaving his mother pounding the keyboard to little effect. Later he played piano accordion in a dance band that toured many venues in Gloucestershire and Wiltshire. He continued to play electronic organ and piano for many years and enjoyed listening to music from military bands and songs of praise to the harmonies in Bohemian Rhapsody!

He loved to play football and was recruited to play for the village team in Hawkesbury Upton by his sister's husband Stan Stinchcombe. This brought him into contact with Frank Watts, a farmer in the village, and his daughter Molly. Viv and Molly got married on 20 Sep 1952 and later moved into Holly Cottage in Hawkesbury Upton.

His son Colin came along in 1957 and then in 1961 Viv returned home from work at the Air Ministry to announce that the family were moving to Hong Kong. Hong Kong is a long way away and in those days it was even further! It was a month's travel by ship or 2 days by plane. This was a big and brave decision. Viv and family spent 3 years in Hong Kong. They went as a family of 3 and came back 4 with Shirley being born there in 1963. Hong Kong gave Viv an opportunity to get up close and personal with another of his passions - the weather. In the time they were there they had 2 direct hits from typhoons. He definitely found them as exciting but as the father of a young family the excitement must have edged towards concern when the building was swaying and the windows were breaking.

At the end of the tour in Hong Kong, Viv transferred to GCHQ with which he spent a total of 23 years working in Hampshire, Staffordshire, Cheltenham and Cyprus. The best of all for him were the 2 tours in Cyprus. Cyprus is where Viv's long football career ended quite literally with a bang. In the act of scoring the last goal of his career, at the age of 52, he broke his ankle and was carried off the pitch. He watched the remainder of the match and then drove himself home before spending weeks in plaster. Also in Cyprus he finally realised his wish to be a pilot. He joined the gliding club and the whole family spent many a happy weekend on a hot and dusty airfield.

On their return to England, Viv and Molly settled down in Churchdown, between Gloucester and Cheltenham, in 1982 and Viv retired from GCHQ in 1987 earning the Imperial Service Medal for his service to the country.

In that same year, Chris arrived as his first grandson. Chris always knew him as Dadden – the first attempt he made at saying “granddad”, but also the same name Viv had called his grandfather – and so it stuck. Retirement brought no slowing down. He had a continuous string of projects, typically in the shed, to keep him busy. Chris, aged 4, benefited from one of these projects with first prize in the Hawkesbury Upton carnival wearing Molly's knitted Fireman Sam outfit (which was a bit on the warm side for a summer day) and “driving” a magnificent fire engine Viv had built for him to push along – complete with working steering wheel and a ladder!.

He didn't stop travelling the world either, with holidays that took in New Zealand, Canada, South Africa (including a total eclipse of the sun in Zambia), the USA, various locations across Europe and caravan holidays from Cornwall to the North of Scotland.

Viv was no party animal but did enjoy a family get together. For several years he and other members of the family with an unhealthy interest in pyrotechnics, put together a fireworks event which not only impressed us but also most of Sandhurst village. In September 2012 Molly and Viv celebrated their 60th Wedding Anniversary with a few family gatherings.

It's fair to say that Viv's passion for flying has passed to the subsequent generations. Shirley joined the RAF, Colin got his private pilot's licence and all three grandsons have inherited the enthusiasm. After retirement, he attended many airshows, experienced aerobatics in biplanes at Staverton and enjoyed many flights with Colin.

Viv's first flight was in 1941 and his last was on his 86th birthday in 2011 when Colin flew Molly and Viv to the Gower – that's 70 years of aviation. His request to be buried on Churchdown Hill, which overlooks Staverton Airport, was so that he could still look up at the passing aircraft.

Leap of Faith for the MS Centre

The West of England MS Therapy Centre (Reg. Charity No. 801155) is looking for willing volunteers to jump into Portishead Marina on **September 14th**, to be rescued by a Newfoundland Dog.

The event, now in its fourth year, will see 30 brave men, women and children (12+) taking the dive into the Marina, closely followed by one of these 150lb canine heroes to pull them to safety.

Newfoundland Dogs were bred as water rescue dogs, and are known as the St. Bernard's of the sea: they have a special water resistant coat and webbed feet to help propel them through the water to rescue anybody in distress.

It costs just £10 to take part, and we ask you to raise £120 to help provide support for people with MS in the Greater Bristol area. To find out more, please call Janet, Jenny or Julia on 01454 201686 or email fundraising@mstherapycentre.org.uk

The Joy of Jumble

Whenever I come back from holiday, I always have the urge to declutter my house. It's a side-effect of holidaying in a camper van with nothing but the bare essentials. So I was pleased to discover that in Hawkesbury Upton this September there'll be two opportunities to put my discarded items to good use: Beauty & the Beasts' Table Top Sale (21st) and the Guides' Jumble Sale (28th).

Actually, I love this kind of event at any time of year, even though we always end up buying far more clutter than we've donated. A few years ago, I feared that jumble sales were becoming an endangered species. Before the national economy took a nose-dive, most people could afford to buy anything they wanted brand new, and the new household recycling boxes also made it easier to discard items rather than donate them. So why bother with jumble sales?

As we all know, times have changed. Never mind Nick Clegg's dream of a John Lewis economy – what we've got now is more of a Jumble Sale economy.

But I don't mind. It's much more exciting to trawl through a jumble sale than predictable high street shops. For a start you never know what you might find, especially in Hawkesbury. Our village yields a high class of jumble!

To me, jumble sale shopping feels a bit like metal-detecting: most of what you find may be worthless, but there's always the prospect of real treasure. But, unlike metal-detecting, in jumble sale shopping there's no Treasure Trove Law requiring you to surrender your best finds to the Queen - for which I'm sure HRH is truly grateful!

FROM THE VICARAGE

Kahlil Gibran, The Prophet

**'Your children are not your children.
They are the sons and daughters of Life's longing for itself.
They come through you but not from you,
And though they are with you yet they belong not to you.**

**You may give them your love but not your thoughts,
For they have their own thoughts.
You may house their bodies but not their souls,
For their souls dwell in the house of tomorrow....'**

Dear Parishioners,

We are starting a Benefice Sunday School!

The idea is to make sure that children are well cared for and given an experience of church which will help build a solid spiritual foundation for them as young people. Not only do we already have a few family/all-age services dotted about which are usually kinder on children and less arduous for them, but we are starting this dedicated Sunday School for the whole Benefice. That is for every parish in the Benefice.

The new Sunday school will be at Sopworth at 1115 on the third Sunday of the month, in the village Hall. This will coincide with the service in church for adults. My thanks to Susie, Sarah and Rebecca for getting this up and started. Please support it and come yourself to the service for adults, whilst your children are cared for by our wonderful team of Sunday school teachers.

We had a wonderful Holiday club in Hawkesbury during the last week of July. I very much hope it will be supported by many of the children in our villages next year. They made rockets and learnt all about Daniel and his faithfulness to God.

Please note daily services starting in your church, check for confirmation if you wish to attend.

Best wishes,

Richard Thomson, Vicar Email: r.thomson@live.co.uk 01454 219236

The Flower Festival at the end of July now seems a distant memory, but it was a fabulous display of talent and dedication, beauty and generosity. So many people contributed in many different ways, chief of them being Mary Beresford and Linda Fairney who masterminded the whole event. We thank them for their hard work and the time they spent down at St Mary's. We also thank all the other gifted flower arrangers, those who made donations, including Mr and Mrs Peckett, who supplied greenery and flowers from their garden, and Pat Bell for her beautiful dove. We thank Hawkesbury School and Playgroup, the Rainbows, Brownies and Guides for their World and Universe display in the porch, with poems, lines from which appear separately in this issue of the Parish News. We are grateful for all the practical support we received from Sir John Jenkinson, for use of his field for car parking, from Lisa Lady White for access to the Malt House facilities, Cherry Ionides for publicity, Jenny Harris for printing, all who church "sat" (not much sitting took place!) and Roy Perks for cleaning up the churchyard. Finally, we offer our thanks to the two husbands, Bill Fairney and Gordon Beresford, who provided much support behind the scenes to their wives. The Flower Festival raised in the region of £2,000

A group of children attended the Scripture Union's Space Academy Holiday Club at Hawkesbury School for three days from 31 July-2 August, and had a lot of fun. The Space Academy was led by people from the combined churches in the village, and we thank them for the time they gave to make it a success

Looking forward now, Mary Beresford will be licensed as a Reader at Gloucester Cathedral on Saturday 28 September at 4.30 pm, after two years of very hard studying. This will be followed on Sunday 29 September by a service at Boxwell at 11.15 to welcome her to the Badminton benefice. She suggests that anyone who wants to go to either of these events should arrange to share cars, in view of the shortage of parking space

Harvest Thanksgiving will take place on Sunday 15 September at 9.45, a special event for children (and adults) to celebrate harvest, after a difficult year for farmers. On the following Friday, 20 September, after a short service in St Mary's at 7.0 pm, we are holding our Harvest Supper at the Malt House, with thanks to Lisa Lady White, ticket prices to be confirmed

Friends of St Mary's

Here to raise money towards the upkeep of the fabric of our beautiful Grade One listed church, to safeguard it for generations to come.

We were blessed with warm sunshine for our Jazz Day on 21st July, bringing people in great numbers down to Church Farm House to enjoy the beautiful setting and the excellent music in an almost natural amphitheatre. French Connection entertained us well throughout the afternoon with their trad jazz numbers, interspersed with two very popular slots by The Cat's Pyjamas, a trio of girls (one local, Rachel Hemingway-Pyke) singing mostly 1940s-style close harmony DooWop songs, suitably attired in dresses from that era. Very talented entertainers as well as being gorgeous to look at, they certainly caused the chaps to sit up in their chairs and listen. Thanks go to Andrew and Karen for supplying the delicious hog roast, once again a favourite not only of guests, but also of the household dog, Mr Bottle. Thanks to all those who helped on the day, setting up, taking down and assisting us behind the bar, and not least to Lisa, Lady White for most generously allowing us to use her garden. A magnificent profit of £1,678 was made towards Friends' funds.

Forthcoming events:-

Saturday 12th October – The Deep Purple Ball.

Ted was dumping some of his rubbish at the local tip one day when he spotted a small New Testament, which was in quite good condition among the rubbish. Ted was not a religious man but he picked it up thinking it was too good to be left on the scrap heap and he put it into his pocket. Some years later, Ted's personal life was in a mess, including problems with his marriage. This caused him to question the meaning of life. So one Sunday morning, he decided to get up early and go to the local church but the church was closed that Sunday! He went home and searched for that New Testament he had picked up from the tip some years before. He read page after page and Ted found forgiveness, peace and a new life. God's Word is living and powerful Heb 4v.12. Acts 10 v.43 says "everyone who believes in Jesus receives forgiveness of sins through His name"

- o **Discover** the rich heritage of South Gloucestershire at '**Heritage Open Days**' events including a tour of the Rolls Royce Heritage Trust collection or a visit to Oldwood Pits and Ram Hill Colliery.
- o **Discover your creativity with** author talks, painting and how to write 'flash fiction'.

- o **Discover events** for life changes including dealing with depression, hearing and sight loss and memory loss.

Discover the full programme by [downloading the brochure](#) from ww.southglos.gov.uk/discover or phone 01454 868006. You can also follow events on facebook page www.facebook.com/discoversouthglos

The **Frome Vale Area Forum** will meet on the 19th September at Frampton Cottrell. The Area Committee will be considering applications for capital grants, as well as applications for the New Homes Bonus Grant. Money is available for the Hawkesbury area – if you think you qualify, please contact me. All are welcome to attend the Forum to have their say and catch up on local issues.

Village Halls play a vital role in the community, providing an important venue for people to come together and meet. Locally this includes providing accommodation for playgroups, youth clubs, older citizens and sports groups as well as a base for many village organizations to meet, hold talks and provide drama. The Village Hall also provides a venue for many social occasions and fundraisers. The recreation field is there for the use of the parishioners, which includes hosting the Annual Hawkesbury Show. Thanks must go to all those people who help maintain the Hall and the field for our use; the Hall Committee who manage the building and field and all those who help, including the Chair Angelo Sauro, and committee members Neil Fozard and Chris Rispin and the many other unsung committee members who work hard to maintain this valuable community asset.

LIVE THEATRE ON SCREEN IN WOTTON

Some of the biggest hits at the Electric Picture House Cinema in Wotton over the summer weren't for the latest films. Instead, the packed houses have been watching Shakespeare plays performed at the Globe Theatre.

The season of three plays – *Henry V*, *Twelfth Night* and *The Taming of the Shrew* – have been followed in August by a run of screenings of the National Theatre production of *The Audience*, the West End hit which sees Helen Mirren recreating her role as Queen Elizabeth II. But while these recorded performances have proven to be popular, the cinema will be moving into even more exciting territory in September, with their first live broadcast.

Jeff Walshe, Chair of the management committee at the cinema, said, "Live alternative content has become increasingly popular at cinemas over the past few years, with stage performances among the most successful events. Our experiments with recorded content have shown that there is a real appetite for this kind of drama in Wotton, which is why we've installed satellite equipment to enable us to show them live, as they happen."

The first play to be shown live at Wotton, on Sunday 29 September, is the National Theatre's new production of **Othello**, William Shakespeare's celebrated play about the destructive power of jealousy.

Olivier Award-winning actor Adrian Lester (*Henry V* at the National Theatre, BBC's *Hustle*) takes the title role. Playing opposite him as the duplicitous Iago is fellow Olivier Award-winner Rory Kinnear (*Skyfall*), who is reunited with director Nicholas Hytner (*Timon of Athens*, *One Man, Two Guvnors*) following their acclaimed collaboration on the National Theatre's recent production of *Hamlet*.

Othello, newly married to Desdemona – who is half his age – is appointed leader of a major military operation. Iago, passed over for promotion by Othello in favour of the young Cassio, persuades Othello that Cassio and Desdemona are having an affair.

The cinema will also be showing new productions from the Royal Shakespeare Company, starting on Wednesday 13 November with **Richard II**, starring David Tennant (*Doctor Who*, *Broadchurch*) in the title role. Richard is King, ordained by God to lead his people. But he is also a man of very human weakness. A man whose vanity threatens to divide the great houses of England and drag his people into a dynastic civil war that will last 100 years.

Jeff said, "This is a chance for local people to see sold-out London performances in their local cinema. We're looking forward to showing a wide range of drama over the coming months, from Shakespeare to the best new plays."

Ticket information can be found at www.wottoneph.co.uk.

The Heat (2013) Running time: 117 mins (Cert 15)

Sarah Ashburn (Sandra Bullock), an FBI agent, is extremely ambitious and has her eye on a promotion, but she doesn't get along with her co-workers. She is told that she'll have a good shot at the promotion if she goes to Boston to uncover the identity of an elusive drug lord. Shannon Mullins (Melissa McCarthy), is very territorial, and she is not exactly sociable. When Mullins learns why Ashburn is in Boston, she decides to find the drug lord herself. They are told to work together, but it won't be easy because Ashburn does things by the book while Mullins does things her way.

The World's End (2013) Running time: 109 mins (Cert 15)

The tale begins on June 22nd, 1990. In their suburban U.K. town of Newton Haven, five boys in the prime of their teenage youth celebrate the end of school by attempting an epic pub crawl together. Despite their enthusiasm and the downing of pints of beer, they fall short of seeing their quest through, to the last pub on their list, The World's End.

Twenty-odd years later, "the five musketeers" have each left their hometown and are now husbands, fathers, men with careers – with the exception of their voluble onetime ringleader, Gary King (Simon Pegg), who is now a 40-year-old man trapped at the cigarette end of his teens. The irrepressible Gary, keenly aware of his estrangement from his onetime closest friend Andy (Nick Frost), becomes hellbent on trying "The Golden Mile" drinking marathon again.

"The Conjuring" tells the true story of Ed and Lorraine Warren (Patrick Wilson, Vera Farmiga), world renowned paranormal investigators, who were called to help a family terrorized by a dark presence in a secluded farmhouse. Forced to confront a powerful demonic entity, the Warrens find themselves caught in the most horrifying case of their lives.

What Maisie Knew (2012) Running time: 99 mins (Cert 15)

An aging rock star (Julianne Moore) and a contemporary art dealer (Steve Coogan) — Susanna and Beale are too self-involved even to notice their neglect and inadequacy as parents; their fight for Maisie is just another battle in an epic war of personalities. As they raise the stakes by taking on inappropriate new partners, the ex-nanny Margo and the much younger bartender Lincoln (Vanderham and Skarsgard), the shuffling of Maisie from household to household becomes more and more callous, the consequences more and more troubling. Always watchful, however, Maisie begins to understand that the path through this morass of adult childishness and selfish blindness will have to be of her own making.

The mission takes Frank and his motley crew to Paris, London and Moscow. Outgunned and outmanned, they have only their cunning wits, their old-school skills, and each other to rely on as they try to save the world-and stay alive in the process.
