<b>PK09/6116/ F</b>	Starveall Farm, Beech Lane, Hawkesbury Upton.	Erection of single storey extension to west elevation to facilitate conversion of existing barn to 1no. holiday let..	The Parish Council has <b>no objection to the change of use,</b> however they <b>do object to the extension being made from cedar boarding and not natural stone and the corrugated fibre cement roofing sheets should be in natural slate as the main roof.</b> Check to see if a “biodiversity test” and “bat survey has been carried out. Also the Councilor’s wanted to condition all the

			rain goods etc to be appropriate and in keeping with an old barn. The Parish Council would like to be kept informed if the above requirements are not conformed
